# E. L. BROWN OF THE **RIO GRANDE GUEST** OF OGDENITES

Vice President E. L. Brown of the Denver & Rio Grande and Western Pacific railroads, with Mrs. Brown and a party of prominent D. & R. G. officials, arrived in Ogden early yes-terday evening and passed the night and a major portion of today here. The other officials were J. Russell, assistant vice president; A. S. Hughes general traffic manager; J. T. Gwynn, chief engineer, and A. B. Apperson general superintendent.

The party came to Ogden in Mr. Brown's private cars, D. & R. G. "A No. 1" and W. P. "A No. 2," from Denver, Mr. Apperson joining at Salt Lake City. General Agent Frank Fouts of the Denver & Rio Grande met them here and this morning they were taken for a ride about the city were taken for a ride about the city and up Ogden canyon in M. S. Browning's automobile with Marriner Browning at the wheel.

On the return trip, the party was conveyed to the Weber club, where the visiting officials, Mrs. Brown and Mr. Fouts were guests of Messrs. Joseph Scowcroft, president of the Weber club, M. S. Browning and L. R. Eccles, at a finely appointed luncheon. Mesdames Scowcroft and Eccles were plso at the luncheon.

The railroad men are on one their general inspection trips and before leaving Ogden, stated that they re much taken up with business conditions in this locality. The city came in for much special praise, the members of the party being much pleased with its attractive features. The party departed for Salt Lake City at 1:15 p, m, and will go west from there over the Western Pacific

# MOTOR PUMPING ENGINE TESTS ON

The new motor pumping engine re ceived by the fire department was tested in speed this afternoon, Chief Canfield directing the machine on a run to Five Points.

At 2 p. m., Monday next, pumping tests are to be made at the hydrant in front of the First National bank, as follows:

No. 1. Two 600-foot lines each of 2 1-2-inch hose from hydrant to the rear of the Eccles block, siamesed into a 3-inch stand pipe running to the roof, a distance of 106 feet; 100 feet of 2 1-2-inch hose attached to the stand pipe on the roof running to the cornice on the Twenty-fourth street side of the building, using 1-

No. 2. Same as No. 1, only pumping water from the hydrant with the motor pump.

No. 3. One thousand feet of 2 1.2 inch hose layed north from Twentyfourth street to Twenty-third street and doubled back, using 1-inch noz-

No. 4. Two 50-foot sections of 2 1-2inch hose siamesed into deluge-set using two-inch nozzle tip. Three 50-foot sections of 2 1-2-inch hose, using 1-inch nozzle tip and two 1 1-4- tips.

Washington avenue and Eighteenth street, pumping water from Ogden riv-

No. 6. Two 50-foot sections of 2 1-2inch hose siamesed into deluge-set,

using 2-inch nozzle tip. 7. One thousand-foot line of 2 1-2-inch hose using 1-inch nozzle

It is reported from the Dee hospital this afternoon that Jacob Phillips of 2937 Madison avenue, who collided with a Twenty-first street car Sunday evening and sustained broken ribs and other injuries, is in a critical condition and that he may not survive the day.

The old gentlemen sustained internal injuries and his 81 years have been a handicap to his recovery.

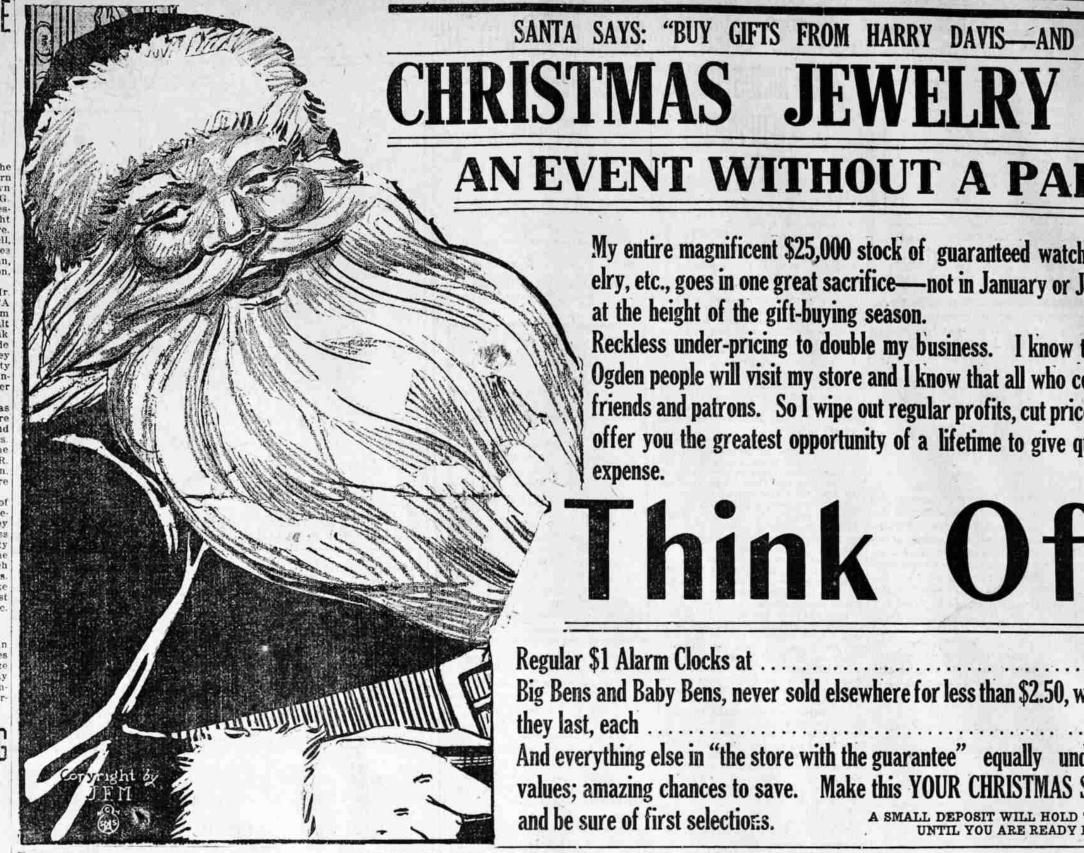

It will be recalled that Mr. Phillips was on his way home from

church Sunday evening, and, in crossing the street car track at the intersection of Madison avenue and Twenty-first street, he was struck by a car and hurled to the ground. Three ribs were broken and he was other wise injured.

A. A. Noggle, who sustained a brok rib and other injuries when he fell to the bottom of the basement at urday is reported as improving.

### EVELYN THAW PICTURE PROVES HIT AT GLOBE

The Globe theatre played to capacity houses yesterday afternoon and evening. The audience expressed their appreciation of Professor Thompson's efforts and his augmented orchestra in a rendition of classical numbers, which did credit to this popular or ganization. Mrs. Thaw's work before the camera is excellent. "Threads of Destiny" is a story of Russian peas-
